Dear All,

A very warm welcome back to the school year. We are off to a flying start in spite of the very warm first day. We look forward to sharing our journey as the year goes by.

Congratulations

Our sincere congratulations to Michelle Curtis for being awarded Australia Day Citizen of the Year in the Franklin Harbour District Council Area. Michelle is a truly committed young woman with energy and passion for everything she does. Richly deserved.

It was also wonderful to hear Kirrily Wagner’s story of commitment and dedication to country and our community. Well done Kirrily.

A Sad Farewell

Many of you will know that our past Principal Graeme Stacey passed away during the school holidays. Graeme was known for his dedication to our school and this community. Graeme loved the sea and all things in the Aquaculture area so little wonder that he continued the program here in Cowell. Graeme worked very hard with the department and the staff and parents to achieve the planning for the new school we have today. I am certain he would be very pleased with the results. Our sincere condolences go to Heather and her family who can be very proud in the knowledge that their beloved husband and father did make a difference and did so joyfully.

Welcome

We welcome some new folk to our school this year. Miss Jacqui Finiss is working in the Primary area across four classes. Miss Aoife Canavan is in the 3/4 class. We also welcome Mickey Pain to our support staff and know that they will all be very happy working with our students.

Our new students include:

Receptions: Joel Jackson, Charlotte Birchall, Dominic Fiegert, Jeff Jackson, Matthew Keen, Luca Kuhn, Du Toit Posthumus and Ewan Starr. Welcome to all of you. In Year 2 we welcome Zara Grund. In Year 3, Cody Cornelius. In Year 4 Amy Cornelius and in Year 6 Bailey Watts. We hope that you will be very happy learning in our school.

Hot Weather

Just a reminder that we have a hot weather policy in the school defining too hot as 35°C. This means that students are definitely in the shade or indoors in air-conditioning. The oval is closed on these days as staff are not asked to do duty in the heat. If you require a copy of the policy it is available at the front office or on the school’s website. Please also remember that we have provision to keep your children’s lunches and drinks cool. It would be great if you would remind your children about this option.

Bushfire Action Plans

Please make sure that you are prepared in case of an emergency. This applies to people in town as well as those out in the surrounding countryside. Important information about the Bushfire season & our school is included in this newsletter for your information.

Emergency Numbers

Please remember if you change your telephone/mobile or address to let the school know of your changes.

School Fees

These fees are now due. We understand that it can be a strain for families and have a number of options to support you. Please contact Jacqui Lewis-Couzner in the Front Office for more information, many people use these option so don’t be shy about it. We are also able to help with school card applications if this is needed.

Music and Dance Lessons

This year will have a second option for music lessons (Piano) in the school during the week. Mrs Jane Smith will offer Piano and I am awaiting confirmation from Heather Nell about her availability.

Dance lessons will continue on Fridays in the Multi-purpose Room with Miss Jasmin.

Movers and Groovers will also run this year, more news soon.

Playground Area

If you have been in the school recently you will have noticed that I have finally got my act together and begun building once again. I have had lots of feedback about the JP building and its fresh new look and am well on the way to having the playground completed. At our next Governing Council meeting we will discuss a working bee date and ask for volunteers. We will need some muscle to put in the playground equipment; obviously it has to meet very strict criteria to be safe. We will be adding shade to the area when all the pieces of equipment are in and the gardens are completed.

Induction of Student Leaders

This ceremony will be held on the Friday of Week 2, the 7th February in the Institute at 12 noon. Those inducted will be SRC Leaders and House Captains. You are more than welcome to join us.

Upcoming Events

Swimming Lessons will begin in week 3 and continue throughout week 4. Students must have a rashie, swimmers and a hat. If you available to help, especially in the Junior School this will be gratefully accepted.

Swimming Carnival has been moved to Friday of Week 4 which is the 21st of February. Further information and programs will be available closer to the event.

Sports Day

Just an early heads up that sports day will be on Friday the 6th of March on the school oval. All supporters and helpers are more than welcome.

Kindest regards,
Jan Potter

Thought for the week

(This is for Graeme)

**YOUR CHILDREN and the BUSHFIRE SEASON**

Important information for Parents and Carers 2013/14
Bushfire season can be an anxious time for children and families. Our schools and preschools in bushfire prone areas have emergency plans to keep everybody as safe as possible in the event of a bushfire. Please read this information carefully in the best interests of children. By being prepared, and acting now, you will help our schools and preschools to be bushfire ready and keep our children as safe as possible.

Thank you for your support.

BEFORE THE BUSHFIRE SEASON

Our schools and preschools prepare for the bushfire season and develop plans for the threat of a bushfire. We consult with fire authorities and building specialists to be better prepared. Our schools and preschools in bushfire prone areas must:

- Complete a Bushfire Safety Audit and checklist.
- Prepare buildings and grounds including clearing gutters, and removing vegetation.
- Update their Bushfire Action Plan and inform families of changes.
- Practice bushfire drills.
- Ensure power fail and analogue telephone handsets and battery powered radios are in working order.
- Ask parents and carers to update their emergency contact details.

HOW YOU CAN HELP

We ask parents and carers to:

- Read all bushfire information provided.
- Talk to your children about what will happen if a bushfire occurs when they are at school or preschool.
- Make sure your emergency contact details are up-to-date with our school or preschool.

DAYS OF CATASTROPHIC FIRE DANGER RATING

Catastrophic fire danger rating days are days when the weather conditions mean a fire is more likely to start and is more difficult to control.

When a catastrophic fire danger rating is forecast for the following day by the Bureau of Meteorology, all ‘low/medium risk’ schools and preschools (such as ours) in the declared Fire Ban District will remain open. School buses and taxis services will not operate within the Fire Ban District.

Parents and carers will need to make alternative transport arrangements for their children on these days.

Please make sure your emergency contact details are updated before the bushfire season starts.

APPROACHING BUSHFIRE

If our school or preschool is open and a bushfire is approaching, the safety of children is our highest priority.

The South Australian Police (SAPOL) and the Country Fire Service (CFS) will take charge if a bushfire is approaching. They recommend that in such an event, everybody should remain at their school or preschool unless instructed to do otherwise.

Principals and preschool directors must comply with SAPOL or CFS instructions.

If the police have not advised an evacuation, everyone will remain inside a designated building and emergency procedures will be activated. These will include:

- Moving everybody inside, closing windows, doors, and blocking crevices, cracks and gaps.
- Plugging downpipes and filling roof gutters with water, if there is time.
- Checking that taps are working and filling available containers with water.
- Hosing down walls, garden etc. on the side facing the ‘fire-front’ and leaving garden sprinklers on.
- Remaining inside and putting fire drill procedures into action with the children until the main fire-front passes.
- Listening to the local ABC Radio Station for information.

We hope that we will never have to enact fire drill procedures. However we are working with our school and preschool communities to be bushfire ready in the event of a bushfire emergency and trust that parents and carers will add their support.
