Dear Parents/Caregivers,
Welcome back to our final term for 2015, which I’m sure is going to fly by and we’re all going to be kept very busy!

Firstly, I’d like to thank Jan Burton for all of the work that she has done this year in Jan Potter’s absence and for the time she has spent with me making sure I am up to speed with everything that has been happening at Cowell this year. We hope she has a very relaxing time while she is on leave this term.

I have had a really enjoyable start to the term and would like to thank both the staff and students for making me feel so welcome! I have spent a fair bit of time in the yard and classes so far, trying to get to know the students and learning a bit about them all. They have all been very friendly and keen to have a chat.

I’m looking forward to meeting parents and working together with the whole school community to have a positive and successful Term 4. Please feel free to drop in and say hello if you’re at school and if you have any questions or issues, don’t hesitate to give me a call.

Hat Policy
It’s that time of the year again and for everyone’s safety we ask that your child has a hat, which they will be required to have on for play times, sport events, PE lessons and moving between classes. Hats are available for purchase at the front office.

Swimming Pool
Work on the swimming pool refurbishment has begun and it looks like it should be ready for opening by early November. Hopefully, the warm weather holds off until then and students will be able to enjoy using it later in the term.

Staffing
Discussions about timetabling and staffing for 2016 are well underway and we are also looking at class configurations in the primary school. We hope to see everyone on board again next year, but if you know that your child will not be returning and have not informed the school, can you please do so ASAP, so that we are able to get an accurate idea of enrolments for 2016.

Student Free Day
We have a Student Free day planned for Friday Week 4. Teleah Wilson (Literacy and Numeracy plus consultant) will be spending the day with staff working on Australian Curriculum and Transforming Tasks. It should be a valuable day for staff to look at how we design learning tasks for our students that provide intellectual challenge and encourage them to achieve high standards. Please make sure that you mark the day in your diary.

SAPSASA Tennis/Cricket
Several of our students travelled to Lock yesterday to try out for SAPSASA Tennis and Cricket. They all had a great day and should be congratulated on their willingness to ‘have a go’. Well done to Dale Franklin (Cricket) and Lachlan Turner (Tennis) who were successful in making the teams and will be heading off to Adelaide later in the term. A big thankyou to Steve Magnay and Tanya Williams who transported and helped out with the students throughout the day.

Coming up…
There are lots of fun and exciting things happening soon, including: Exams, Duke Of Ed Adventurous Journey, Year 6 Excursion, Milo Cricket, 8/9 Aquatics camp, Presentation night, Senior Formal, School Magazine and many more…so stay tuned!

Kind regards,
Julie-Anne Byrnes

What people are saying:

What a relief to have access to a program that preserves the dignity of the child, maintains the self-esteem of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realise that the 1-2-3 Magic can be a significant preventative measure that any parent can use to avoid raising a child who later turns the lives of excessive discipline, or grows out of control.
