## NEWSLETTER

### PRINCIPAL'S NEWS

Dear All,

As usual school is very busy. Due to weather we have had to make a few changes to events and excursions, please be sure to keep in touch and check bags/communication books and diaries for notes so you are up to date.

#### Governing Council

This meeting was held last evening and I thank those who managed to attend. It's a very busy time of year. On the agenda Presentation Night, Basketball, Uniforms for the Primary Students, (Designs are in the Library for you to have a look at.) Exams, Swimming Pool, Bushfire Action Plan, Lockdown procedures and follow up, staffing and classes for 2015, Gala Day. As you can see there is lots going on and plenty to discuss.

#### School Photos

This date has been changed to the 11<sup>th</sup> November due to the changes needed to a couple of our camps. We don't want to miss whole classes!!

#### Illness and Absenteeism

We have had a high rate of absenteeism during the last two weeks of last term, many students with illness, and again this last week it has been high. We do realise that the need to travel impacts on all of our families but I am hopeful that things will settle down a little bit so that students can end the year on a really positive note.

#### Staffing and Classes for 2015

This is an ongoing process which is slow but hopefully provides the best outcomes for our students.

#### Upcoming Events

Three Camps next week  
R-2 Christmas Pageant visit at our school  
Year 6 fundraising stall tomorrow

#### Library Board Visit

The state library board will be here on Friday afternoon to visit our school/community library, afternoon tea will be served and a chance to chat if you are available.

#### Operation Flinders Meeting

A debrief and lunch meeting will be held with leaders and participants on Monday. Congratulations to our students who appear to have had a fantastic time and made the most of the opportunity.

#### Presentation Night

This will be on the 26<sup>th</sup> of November at the Institute, please keep the evening free so that you can join us to celebrate the ending of another fabulous year of learning and exciting experiences.

#### Our USA Trip Part 2 (next page)

Kind regards,  
Jan Potter

#### Thought for the Week

"Don't rush anything. When the time is right, it'll happen"

Child Development

# Trip to America

Heading Southwards down the east coast of America to Gloucester Point in Virginia to visit the Virginia Institute of Marine Science and Dr Stan Allen.

Early morning start, off to hire a car to drive north from Virginia Beach to Gloucester Peninsular to visit Dr. Stan Allen at VIMS. This science facility is situated in part of Chesapeake Bay. The bay itself is 300 miles long. The landmass around it measures about 3,000 miles. This area is very beautiful with tall green trees everywhere. Like another planet for us.

Anyway back to the car hire, we find a Jeep, all red and shiny, fitted with a GPS, lucky all things considered. Michael was brave and said he was happy to drive on the wrong side of the road, across freeways, through tunnels, over bridges and around massive turnpikes. Once we got going it was a great trip and he managed really well with a bit of backseat driving. It was worrying when declared he couldn't hear the woman in the GPS speaking!!

Dr Allen was waiting for us and introduced us to his current final year students. Having left our USB at Harbour High we used our paper copy and shared and talked for ages. Such an inspirational leader and truly committed. The young folk he is working with come from all over America. The course only holds twelve students for intense learning and hands on. We discussed his students coming to Australia all of them said they would be keen. Dr Allen suggested this type of exchange is something our students may benefit from. They would certainly be well looked after.

VIMS is part of the William and Mary University. We were able to tour the facilities and all of us shared many insights about funding, fish culture, teaching and learning differences between Australia and the USA. It was so engaging and such a privilege.

Eventually we had to get going, all were concerned about us facing the rush hour on Friday evening. No problem we all say. Fast moving, lane switching ride.

On the way back we saw the most enormous aircraft carrier in the Bay. Just near Virginia Beach is the largest Naval base in the world. It's called Oceania. As we returned the car there was a thunderous roar as six 'Blue Angels' planes flew over very low and in formation. The sound and vibrations were mind boggling. We discovered that the annual air show was on the next day and so the teams were practicing throughout the week. Their formations were spectacular

Because we took a little while watching the planes over the car hire company Michael wandered over to have a look at a Mustang. Close call! He almost had it shipped to Australia. A young fella from the hire company gave us a lift back to Virginia Beach and proceeded to tell us all the reasons people should never go there. It is a bit like the Gold Coast without a CBD. Hilarious conversation so cynical and so young!

Dr Stan Allen

Chesapeake

Bay with site for Marine investigation by VIMS.

Its always critical conversations

It's all about the Science

Oysters are grown on the bottom of the bay in the sand & mud

Next Week our final destination New Orleans.

## SRC NEWS

### Uniform

A total of 54 families responded to the uniform survey that was sent home last term. After this was done, students at our school also had a chance to voice their view through a survey about possible changes. People were asked if they wanted a change to the T-shirt colour and design, if they wanted school logo short and track pants offered, and a new school dress offered. Here are the results:-

Parent/Carer Surveys	Yes	No	Don't mind
T-shirt	61%	20%	19%
Shorts	44%	20%	35%
Track Pants	50%	20%	30%
Dress	23%	16%	60%

Students Surveys	Yes	No	Don't mind
T- shirt	69%	17%	15%
Shorts	57%	22%	21%
Track Pants	52%	31%	17%
Dress	48%	22%	30%

In response to this, our SRC uniform committee and two of our Governing Council members met to discuss the next steps in the process to possible change. They saw a need to concentrate on a T-shirt and short design initially. In the last week of term, we held a competition where students could design shorts and a T-shirt. This week, these competition entries are displayed in the library. Students and community members are now able to vote for their favourite designs. Please come down if you are able to and support this.

Can we please make clear that the winning entries may not necessarily be the designs of the new T-shirts and shorts if we go ahead with change? Adjustments may be made, another entry may be chosen or ideas may be combined when we actually come to work with a supplier.

### Youth Issues Trip to Whyalla

On the 17<sup>th</sup> of October, SRC reps from Year 5 to 11 (excluding Yr 7 and 8) met with 10 other school's SRC reps at Whyalla Yacht Club. Students came from as far as Streaky Bay in the west and Ungara in the south. Dr Andy Killcross, a Pt Augusta GP who had involved himself for many years with youth, addressed the group. He saw the need many years ago for youth being able to access help and the need for youth being able to 'talk' to someone.

Our Cowell students then worked in mixed school teams of 5 to list issues that they believe youth are faced with, including those faced in school and those faced outside of school.

Students played team games after lunch and then worked on proposing ways that these issues could be worked on. Eyre High School students spoke about resilience and the way they are working to build the awareness of this important skill in their school. Resilience is the ability to recover from misfortunes such as illness, change and unfortunate situations.

It was a great day and it has given us some ideas for what the SRC can work on for next year.

### Gala Day

Gala day is coming to Cowell Area School on the 6<sup>th</sup> of November, beginning at 11.30am and finishing at 2.30pm. It will be based on the school grounds around the junior classrooms and the grassed areas. Some of the entertainment will include; cake decorating, White Elephant stall, photo booth, belly bumpers, basketball competition between staff, students and parents, 11's competition, And much more.

More detailed information will follow. Money being raised will go towards improving the school grounds.

## Building Resilience In Your Children. Presented by CAMHS

After the positive response from the last session, we are pleased to be hosting another information evening presented by CAMHS Northern Country Team.

Parents, carers, educators and interested persons are invited to attend an information evening around building resilience in your children.

This session will cover:

- Bullying
- Managing stressful situations
- Self-respect, confidence & worth
- Secure attachment relationships e.g. what these may look like
- How to respond to children/adolescents in their distress
- Developmental stages and what is 'appropriate' in building resilience

WHEN: Monday 27<sup>th</sup> of October at 7pm

WHERE: Cowell School Community Library

RSVP: Roanna Frost 0429 133 301 or

Nicole Turner 0412 034 811

This session is organized and supported by Cowell Area School Parents and Friends, supporting our school and local community. We urge you to attend this important free session. Supper will be provided.
