Welcome to Week 2!

Last week absolutely whizzed by and I thoroughly enjoyed meeting students and parents whilst getting to know my way around the school. I was particularly interested in the tour I had of the Aquaculture area and would like to thank Grace Chopin, in particular, who impressed me with her knowledge of the programme.

Parent Opinion survey
The school really values the opinions of parents in helping us to reflect on the quality of the service we deliver to your children and ensuring that they are provided with the best opportunities possible. In order to do this we ask that you take part in our online Parent Opinion survey. The survey is brief and can be accessed via the following website: https://www.schoolsurvey.edu.au/s/dENGHk5R

School Visit
This Monday, Michelle Ottens, some of the Junior Primary staff from Cleve and I travelled to Adelaide to visit St. Antonio Catholic school to observe the Walker Learning Approach, which is an exciting and innovative learning program with huge benefits for children’s learning and development. The approach involves students becoming involved in working on their own personal projects and investigations within various learning centres eg; role play, collage, construction, sensory area, reading/writing areas. We visited a Reception class and were amazed by the way the students were engaged and focussed on their learning. The classroom was highly visual and interactive, encouraging the students to use literacy, numeracy and social skills, whilst also engaging in other curriculum areas.

We returned with lots of ideas and are keen to look further into this approach to learning.

Duke of Edinburgh’s Award
Several of our students, under the guidance of Colleen Peters undertook their Adventurous Journey on the weekend. Read more about how they went in the following pages.

Kindy Transition
Our Kindy kids began their transition visits this week and will be continuing these over the coming weeks. This is a very important part of helping them get a ‘Great Start’ to their school education. We hope everyone makes them feel welcome and that they enjoy the time they spend with us.

Kylie.McFarlane536@schools.sa.edu.au
The Duke Edinburgh’s International Award is an internationally recognised program for young people, building their skills to equip them for life and work. By creating opportunities for young people to develop skills, get physically active, give service and experience adventure, the Award can play a critical role in their development. The choice to do The Duke of Ed is entirely voluntary and every Award is different. Each Participant chooses what activities they want to take part in for each Section. Participants must complete four components: Service, Physical Recreation, Skill and an Adventurous Journey. There are three levels (Bronze, Silver and Gold).

• A 1-2-3 Magic & Emotion Coaching Parent Workbook

Registration Fee?
There is no cost for this course. Creche is provided at no cost.
Register for this course by contacting Marie Klander Family and Relationship Service 86827903

What people are saying...
What a relief to come across a program that preserves the dignity of the child, maintains the self-control of both the parent and the child and is actually easy to remember when memory is the first thing to go...
I realised quickly that the 1-2-3 Magic can be a great preventative measure that any parent can use to avoid raising a child who later turns the knife, needs massive discipline or grows out of control.

For more information contact: marie.klander@ucwcsa.sa.edu.au
Afternoon Tea Provided

• An end to the arguing and yelling! • It saved our lives • Simple, sane, effective

This course is being run by a Parentshop licensed practitioner. www.parentshop.com.au
