FROM THE LEADERSHIP TEAM

This Friday we celebrate World Teachers Day! I would like to acknowledge our fabulous teaching staff on behalf of the school community, for the wonderful contribution they make towards enriching the lives of our children and young people. We have a very dedicated and passionate group of teachers who work hard to inspire our students to strive to be the best they can possibly be. Everyday our students have access to a multitude of high quality, innovative learning experiences, that provide them with the opportunities to further develop their learning outcomes.

Students will have the chance to write a note of thanks to any of the teachers in the school, on a leaf template and then post it on a ‘tree of knowledge’ in the front office later this week. Come along and have a look on Friday and feel free to write your own note of thanks – you would make somebody's day!

Year 12 Students
Our Year 12 students are fast approaching their final days at Cowell Area School and are in the process of preparing for their final assessments and exams. I had the chance to catch up with them over lunch on Tuesday (see Catch Up with a Cowell Kid) and talk about their futures and the year that was. We wish them all the best for the coming weeks and look forward to officially celebrating with them at their Formal in Week 6.

Gala Day
The SRC, staff and Governing Council have decided to hold a Gala Day this year – to be held on Wednesday November 16th from 3:30 – 6:30pm. This is a great opportunity for parents, grandparents and the wider community to visit our school and join us in some fun activities. There will be a variety of stalls, games and demonstrations from both students and community groups and we are looking forward to a fun day of entertainment. More details about the programme for the day will be sent home in a flyer and keep your eye out for our posters on our Facebook page and around town. We hope to see you there!

Materials and Services Charges
The Governing Council is looking to increase our materials and services charge for 2017. All parents are invited along to our next Governing Council meeting on Tuesday November 15th at 7:00pm in the Library, to discuss the proposed charges and ask any questions. Please come along for this important discussion. More information will follow in next week’s newsletter.

Kindy Transition
Our 2017 Reception students began their transition this week and have enjoyed learning about ‘how school works’ and meeting all of the students and staff. We hope they continue to enjoy their transition and look forward to seeing them again over the coming weeks.

Bushfire Information
This term is the beginning of the Bushfire Season and to support all of our families we have included information for families about fire season.

Our school is not usually closed during a catastrophic day but we do not run our buses as they pass through the catastrophic zones.

To help us to support you and your children please ensure that your contact details and those of your emergency contacts are up to date at the school. We are finding that people are changing phones and not letting us know their new numbers. In case of a bushfire it is critical that we are able to contact you.

Thank You!
A big thank you to the Leggate family who kindly donated some literacy resources to the school last week. They have been much appreciated by our primary teachers who will find them very useful in their classrooms.

Catch up with a Cowell Kid
This week I spent some time reflecting on the year with our Year 12 students and also asking them to give some advice to next years’ cohort. However, first we talked about what each of them is thinking of doing in 2017. Below are their plans and the advice given:

Ethan: will be applying for the Police Force, something he has been working towards for a while. He is keen to move to Adelaide and be a part of the fast track applications that SAPOL are currently promoting. He suggested that students make use of a memo book in Maths, categorise everything, highlight questions and keep cheat sheets.

Ila: is hoping to study a double degree in Criminology and Psychological Science at Flinders University. She advised students to check their emails and to focus on good time management skills, especially if doing Local Delivery or Open Access. You need to be able to work independently.

Dante: will be applying to study at the ADFA (Australian Defence Force Academy) in Canberra, where he hopes to become an Officer in the Army. He (along with Ethan), would advise Year 10 students to think about doing Stage 1 subjects and then Year 11 students doing Stage 2 subjects, to ease the load in Year 12 by focussing on less subjects. As long as you do well, this can help and you can always do it again if you want to do better.

Bec: has decided she would like to pursue a Creative Arts (Digital Media) Degree at Flinders University. For those who are thinking of doing Art, Bec suggested that they need to be passionate about what they are doing and set aside plenty of time to get their work done.

Continued overleaf……
SCHOOL NEWS

Ebonii: is planning to remain in Cowell, so that she can complete her Certificate 4 in Hospitality at the Franklin Hotel, and then see where that may take her. Her advice is to avoid procrastinating – plan your time and if you are doing a School Based Apprenticeship, keep in regular contact with your trainer.

Angus: will be starting an apprenticeship as an electrician with Sunpork Australia in Balaklava. He suggested that students need to make sure they don’t put things off.

Alison: would like to work on a station with horses before pursuing a trade or a career working with horses. She suggested to next years’ group to have a ‘balance’ and not drown in schoolwork. Break things down into terms and tackle things in bits and pieces. Most importantly don’t ‘overthink’ things.

Nathan: is planning on getting a job after he leaves school. He advised students to not stress – particularly over exams! “They’re like a big test – you’ve done them before” He also suggested that they buy some decent headphones!!

When I asked them to reflect on this year and their time at Cowell, they didn’t want to give too much away because they are saving it for the Formal, but they did let me in on some of the things they will remember about this year (strange as they may seem):

- Fabian – their class pet, who looked remarkably like an origami bird!
- ‘Tupperweather’ – the piece of Tupperware that sat outside on the airconditioning and acted as their weather gauge.
- The experiment cupboard (you don’t want to see what was in there!)

However, the thing that they will remember the most about this year is the ‘Banter’, and how Year 12 brought them all together as a group! What a good note to end the year on!!

All the best to each and every one of you and thanks for choosing us to be a part of the people you have become!

---

YEAR 10 CAREERS CAMP

Last week, our Year 10 students along with Mr Milton and Michelle Whibley headed off to Adelaide for the annual careers camp.

The camp is designed to provide students with an opportunity to gain an insight into some of the many career opportunities available to them post school. Students visited numerous training organisations and businesses including; The Advertiser, Stamford Plaza Hotel, The Australian Institute of Fitness, Ashford Hospital, Flinders Uni, The Festival Centre, The Entertainment Centre, TAFE SA, The Magistrates Court, Clip Joint, ABC and the Police Academy. The students particularly enjoyed visiting the Police Academy and the Magistrates Courts.

Students also participated in a range of fun evening activities including shopping at Marion, Latitude, Laser Skirmish at Noarlunga and a visit to the Beach House at Glenelg.

A big thank you to Mrs McFarlane who organised all of the bookings and to Michelle for coming along and helping Mr Milton out with his bus driving!

Below is a selection of photos from the week in Adelaide (more will be posted onto the schools Facebook page):

---

HAPPY BIRTHDAY!

OCTOBER

26/10—Liam Iversen
26/10—Addison Ramsey
29/10—Gary Maslin
Eyre Peninsula Student Voice Forum

Last week students from our school participated in the Eyre Peninsula Student Voice Forum held in Port Lincoln. Twelve students from Years 6-11 travelled by bus with Mrs Byrnes, Mrs Bourlioufas and Mrs Williams to participate in this event, which was attended by schools from around Eyre Peninsula.

Mr Brenton Wilson was the key speaker. His talk Student Voice – Having a say in our learning was well received. He challenged students to think about what makes each one of them great and discussed the importance of challenge in learning. Mr Wilson explained that students are great at providing feedback about learning in the classroom and talked about how that feedback can be put to good use.

Students didn’t sit all day; there were plenty of opportunities to move around with teachers and students running activities demonstrating the power of collaboration.

Student representatives from Edward John Eyre High School, Streaky Bay Area School and Port Lincoln High School delivered positive examples of how Student Voice is making a difference in their schools.

After lunch our students provided feedback about how they see Student Voice working in their own schools. They discussed what they had learned, how they will take this new knowledge back to their own schools and implement strategies, and intentions for improving student voice next year.

Students interacted in meaningful dialogue and stepped up to challenges. They communicated respectfully and provided valuable and considered feedback to the forum. It was a very positive experience for everyone involved.

Student feedback from the day

What did you enjoy and learn on the day:-
- We got to meet and talk to new people.
- We got to play some games that taught us about teamwork.
- Our guest speaker, Brenton Wilson, was very inspirational
- We got to learn what can make a school better
- We learnt that feedback is important
- We gained ideas about what other schools are doing with Student Voice

What do you think student voice could work on at school as a result of participating in this day?
- We could use the skills we learnt in our learning and student voice.
- I think we could encourage more feedback for students and teachers
- We could encourage more student to student feedback.
- We could introduce suggestion and feedback boxes in classrooms.
- We could give regular feedback to teachers, twice a term
- We could have more fun days at schools.
- We could introduce clubs.
- We could work on more subject selection.
- Keep some learning tasks short, sharp and shiny.
- We could work with other schools in our region to improve on student voice.

Numeracy Improvement Cycle

As part of our ongoing commitment to improvement across the school the staff have been developing a Numeracy Improvement Cycle for Cowell Area School. As parents and family are the child’s first teachers and the influence of family and community attitudes is important through schooling we ask that parents and community members take a few minutes to fill out the following survey and return to the front office of the school.

1) What do you think mathematics is?
2) When do you use Mathematics in your own life?
3) Do you think mathematics is an important area of learning? Why/Why not?
4) What do you think it is important for your child to know in mathematics?
5) Did you enjoy mathematics when you went to school? Why / Why not?
6) Do you feel comfortable to help your child with mathematics at home? Why/Why not?

Or use this weblink to fill out the survey online:
https://www.surveymonkey.com/r/ZZQBBD

Thanks,
Malcolm J Rogers, Primary School Coordinator

DATES TO REMEMBER

TERM 4

WEEK 2 26/10 - Yr 8 Immunisations
- Whole School Assembly 2pm at the Institute

WEEK 3 31/10 - CPR Refresher Course 4pm in Library

WEEK 5 16/11 - Gala Day

WEEK 6 21-23/11 - Year 4/5 Camp Errappa
21-25/11 - SAPSASA Tennis/Cricket
26/11 - Year 12 Formal

WEEK 7 28-2/12 - Year 6 Camp

WEEK 8 6/12 - Presentation Evening
7/12 - Religious Education Primary

WEEK 9 16/12 - Last Day of Term 4

Fire Danger Season 2016-17

Information for Families

Cowell Area School has a ‘low risk’ bushfire rating.
This means on days of forecast catastrophic fire danger rating, our site will remain open.

School buses and taxes will not operate within the Fire Ban District.

Our phone number is (08) 8829 2150
If this number is engaged during an emergency, contact the DECD Parent Bushfire Information Hotline on 1800 000 279
Cowell Area School is located in a low-risk bushfire area.

While we have a have an emergency and bushfire response plan for our site it is important that we are all prepared for a bushfire emergency.

Parent and family checklist
We all need to be ready for the fire danger season and to keep your children as safe as possible please ensure you:
- read all of the bushfire information provided to you
- talk with your children about what will happen if a bushfire occurs when they are at school or preschool
- update your emergency contact details with us before the start of the fire danger season
- make a personal Bushfire Survival Plan for your family and let us know if this will affect your child’s attendance
- download the AlertSA app if you use a smart phone.

‘Catastrophic’ fire danger days
‘Catastrophic’ fire danger days occur when conditions are the worst for a bush or grass fire. If a fire starts and takes hold on a ‘catastrophic’ day it will be extremely difficult to control.

Find out about site closures
DECD is working towards school closures appearing on the Alerts SA website and mobile app. By downloading the Alert SA app to your mobile device you will be able to obtain real-time information and warnings.

If a bushfire approaches us
The safety of children in our care is our highest priority if a bushfire approaches our site. We have a designated bushfire refuge, which is the safest place for staff and students to be in this situation. Evacuation is our last option unless advised otherwise by emergency services.

When we move to our bushfire refuge we:
- move everybody inside, close windows, doors, and turn off the air conditioning
- fill available containers with water
- turn on all sprinklers and irrigation systems if it is safe and time permits
- remain inside with the children until the main firefront passes
- listen to local radio or monitor the CFS or AlertSA website for bushfire updates and information
- liaise with DECD Security, Bushfire and Emergency Management team and the CFS to stay informed about changing conditions.
COWELL PROBUS CLUB
Meeting on Nov 4th, 10am at the Franklin Harbour Hotel. 11am
Guest speaker Sue Chase—Director of Cowell Electric. All welcome.

HOSPITAL AUXILIARY
Thank you to all that supported the raffle, contributed food, helped and attended the 70th Birthday Celebration in Ivy Caire Centre on Thursday 20th October.

Raffle Winners:
1st Pat Smith
2nd Amy Norris
3rd Claire Woods
4th Maxine Fletcher
5th Rosalie Wildman
6th Deb Leedham
7th Rosie Dunn
8th Georgia Norrisworthy

SUNDAY SCHOOL
Sunday school hours for this term are:
Oct 30th- 10am
Nov 13th- 10am
Dec 4th - 10am
Dec 18th - Kids Christmas Service

This term’s focus will be on working towards our Christmas Service. We’d love to see all our regulars and any other children in the community are more than welcome to come along and take part!

Please note that our coaches are all volunteers and it is essential that there is a parent helper present. Could the allocated parent helper please do a role call at the beginning of the lesson and wear the designated hi-Vis vest, so coaches are aware who the parent helper is. If you are unable to attend your allocated time please arrange your own swap.

Parents of the last lesson could please make sure change rooms are locked and left in a tidy manner. Thank you.
