Dear All,

What a sizzler it has been. It has certainly kept our air-conditioning people in business. I think almost all of our air-conditioners have broken down this week which is pretty disappointing. Anyway you all know my favourite job is building and facilities!!

Good News
Firstly I would like to welcome Robert Rush (Roly) to our school. Robert will be our new Aquaculture Manager as Mark Churchett transitions into the world of farming. Mark has been an amazing asset to our school and especially to the Aquaculture area. We wish him every success in his new ventures.

Pre-service teachers
We welcome Carly, Brooke and Hanna to our school for the next three weeks to begin their classroom experiences in teaching. They have settled wonderfully and dived in to the wild world of education.

Congratulations
To Vicki Bourlioufas who will be our new R-9 Coordinator for 2014.

Not so good news
We were very sad to hear of the passing of Mrs Peter's father last week. Our thoughts are with her and her family at this hard time.

Jodie Hannemann has let me know that she will be resigning from her CPSW position in the school for family reasons. I know that the staff and students will miss her presence in the school. Jodie has made a huge effort to be in Cowell and we thank her for that commitment. I will meet with the Schools Ministry Group representative next week to discuss what our further options might be.

Up and Coming Events
Swimming Carnival is next Friday 21st of February, more news in next weeks newsletter. Please come along for all or part of the day, it is always fun.

Immunisations for Year 8 and 9 students will begin on the 25th of February followed by Tuesday 29th of April and Tuesday 23rd of September.

Port Power players will be visiting on the 18th February at about 11:30am to have a chat with students in Years 3 to 10.

Governing Council
The next meeting will be on the 25th of February at 7:30pm in the Library. We have a number of agenda items including a proposal for an auction, a couple of working bees and the dates for Students Free Days which allow the staff to meet with the new partnership formed across Central Eyre to have training and development.

Budget
With staffing almost finalised Jacqui Lewis and I are completing the budget in time for the AGM of Governing Council which will be held in March.

Have a great week, and enjoy the rain when it comes!!

Kind regards,
Jan Potter

Thought for the week

Welcome back for another school year. It has been great catching up with students and hearing about their Christmas and Summer Break.

**SACRED STONE VISIT**

We have the band Sacred Stone visiting the school on Wednesday 19th February. They will be presenting an RE session to students from years 6-12 called "Friend Request".

From their website: "In this presentation Sacred Stone explore a number of values which are important for authentic relationships such as empathy, sacrifice, selflessness and love. Through the use of live music, "street talk" style video clips and personal stories Sacred Stone take young people on a journey through key scenarios that they are confronted with every day on Facebook…Some of the issues addressed include being unfriended, tagged in a picture, and being the subject of an untrue and hurtful post."

You can learn more about Sacred Stone by going to their website [www.sacredstone.com](http://www.sacredstone.com). Please let me know if you have any other questions about this visit.

**NEIGHBOUR DAY – SUNDAY 30TH MARCH 2014**

I came across this initiative recently. Started by Andrew Heslop in 2003, Neighbour Day is a day to celebrate community and reach out to those around us. Whether it be a simple cup of coffee together or a larger gathering, the idea is to do something on Sunday March 30th that connects you with those who live nearby.

Country communities are generally well-known for their sense of community and looking out for one another. But with our lifestyles getting busier, it can be easy to let the simple connections to those around us lapse. Is there someone you've been meaning to catch up with or get to know better? Neighbour Day could be just the excuse you need to make it happen.

For more information and to register your event go to [www.neighbourday.org](http://www.neighbourday.org)

---

**RFDS PLANE**

On Wednesday the 29th of January 2014 the year 7 class went down to the Lions park to see a Royal Flying Doctor Service (RFDS) plane. Our class enjoyed learning all about the plane. Some of the information included:

- They took 28 landings in Cowell in 2012/13.
- They have 21 bases around the nation.

We thought this was a good opportunity for us to learn about what the RFDS does for country people.

Tahlia Zanet & Shannon Jeffrey.
ATTENTION!!
LIBRARY USERS
PLEASE READ BELOW

To the Householder,

In April 2014 the Cowell School Community Library will be changing to the new One Card, Library management system. Before this can happen the library staff need to conduct a re-enrolment programme to update our members details and ensure YOU have access to all the wonderful resources that will become available to you.

Current and new members need to complete the form on the back of this brochure and return to either the Cowell School Community Library or Franklin Harbour Council Office.

Please note that there is absolutely no cost involved with enrolment and you will be issued with a new library card in April when our library goes “live” with the one card network.

Please feel free to contact the library with any questions or concerns you may have.

More information is available inside this brochure or you can visit the South Australia Public Libraries website at www.libraries.sa.gov.au

Thankyou,
Dawn Chase
Teacher Librarian
Library Manager

SEE THE BACK PAGE FOR ENROLMENT

COWELL SCHOOL COMMUNITY LIBRARY

Access millions of books, DVDs, CDs & magazines

Yes, millions!

With access to multiple libraries, the materials of all these libraries become available to you.

If you've always wanted a wider choice of books, DVDs, CDs and magazines from your local library, you'll find lots to love about our new service!

Borrowing what you want is a click away

To get the quickest access to the millions of items available, simply go online and use the new reservation system to look up items and reserve them with a click.

With our centralised system you no longer have to separately look up multiple library catalogues.

When your items become available, they will be delivered to your preferred library.

If you like, we can even notify you by email when to pick up!

How's that for service?

Your favourite daily newspapers come included!

The new service includes access to full daily digital editions of the most popular South Australian and national papers (as well as hundreds of world newspapers) with an amazingly realistic 'page turning' reading experience!

Ask one of our staff to find out how to access our digital newspapers.

With so many great services now available to you, there's never been a better time to be a member of a public library in South Australia.

Borrow & return items at libraries across SA with your COWELL Library card

The 'one card' network is connecting more than 130 public libraries across South Australia to let you borrow and return items wherever you go, using your current library card.

It's perfect for when you're out and about - carrying multiple library cards will become a thing of the past!

Your questions answered

Q. Will all libraries on the new network now offer the same services as each other?

A. As libraries are committed to meeting the particular needs of their local communities, some libraries may continue to offer different services that complement core library services (e.g. certain online resources). Check with the relevant library to find out what's available to you.

Q. Will lending periods and overdue policies be the same for all libraries on the new network?

A. No. Although participating libraries will have many similar policies, there may be variation in some areas. Lending periods and overdue policies for a particular item you borrow will depend on which library issues you that item. Be sure to read all accompanying receipts that outline due dates.

Tickets $25.00 available from Cowell Post Office – Please book your table, collect tickets to sell to your guests and pay by 14th Feb.

WHAT IS A THEATRE RESTAURANT SHOW?
Theatre Restaurant is an entertainment package of ‘Live on Stage’ performance of music, comedy, audience participation and fun, coupled with BYO Drinks, drinking Glass, & Supper to share at your table.
SYNOPSIS
Oyey, Oyey, Oyey! Welcome back to the middle ages! A romantic time of fair maidens and knights in shining armour! Well, that’s how history wants us to remember it! BUT what really happened back then?
Come with us on an action packed romp through the unknown pages of England! Our hero is ROBIN THE HOOD! OUR BADDIE IS THE EVIL king john! So far seems pretty normal, But what a tangled web is woven when the other characters enter the story! First there’s the strange Sheriff of Nottingham, who would be more at home in a spaghetti Western, then there’s the beautiful, if somewhat silly Maid Marian. As for the Merry Men, well they belong in an asylum rather than a Forest!! So, mix all these characters in with a large dollop of comedy, blend in music and song, add just a pinch of audience participation and Voila! You have “ROBIN THE HOOD”
The music is lively, including some old and some new songs to cater for most tastes. It is recommended for an adult audience, however it does not carry an “Adults Only” warning.
This is an excellent evening’s entertainment – come along and enjoy, various raffles are offered, support the Skate park Fundraising Group achieve their goal.
