Congratulations participate in the carnival later this term.

Congratulations to Lachlan Turner who was selected to lock with some of our Year 6/7 students to try out for the SAPSASA future progress.

Last week Tanya Williams and Steve Magnay travelled to SAPSASA possible learning outcomes for all of our students.

Lachlan Turner, Kaden Magnay, Mac Cotter, Sean lock with some of our Year 6/7 students to try out for the SAPSASA future progress.

Our students. We believe that we have a great staff with a multitude of skills and experience that can provide the best possible learning outcomes for all of our students, regardless of their pathways. Please come and talk to us if you would like to discuss your child’s achievement and future progress.

We have a busy few weeks coming up with camps, excursions, Gala Day, Year 12 Formal, Presentation Night and lots of activity on our Oyster Lease. The staff have been in and out at Training and Development around the Bookmaking Approach to Literacy, Learning Through Play, MacqLit Literacy Intervention, Data and many more. We’ve also had staff attending SACE moderation and working on panels -not much time to take a breath but we’re always learning and planning for ways to improve outcomes for our students.

Farewell Year 12 Students
Our Year 12 students Ethan, Alison, Ila, Rebecca, Dante, Nathan, Ebonii and Angus officially finish their formal schooling with us at the end of this week. After this time they will be preparing for exams and completing final assignments and investigations. Our students’ first exams begin in Week 4 and we wish them all the best. A copy of the exam timetable is included in this newsletter.

We hope that when they receive their final results at the end of the year, that all of their hard work would’ve paid off and they are able to achieve the goals and challenges they have set for themselves. I have enjoyed working with them all this year and hope that they remember their time at Cowell Area School with fondness and pride.

Assembly
Last week the Year 8/9 class hosted the assembly at the Institute and did a terrific job of catching us up with the many things that happened throughout Term 3. It was very well organised and presented and I would like to congratulate Ms Bourlioufas, Mr Barker and all of the students who were involved.

Staffing
The Leadership team, staff and PAC (Personnel Advisory Committee) have been spending time looking at our class structures and the staffing required to provide our curriculum in 2017. Our ability to do this is significantly affected by the number of students who attend the school (this determines our funding). It is therefore imperative that we know (as close as possible) our student numbers for 2017. Thank you to all of those people who have informed us as to whether their children will be attending Cowell Area School next year. If your child will not be here in 2017, PLEASE let us know so that we can work towards finalising our staffing and the choices we can provide for our students. We believe that we have a great staff with a multitude of skills and experience that can provide the best possible learning outcomes for all of our students, regardless of their pathways. Please come and talk to us if you would like to discuss your child’s achievement and future progress.

SAPSASA
Last week Tanya Williams and Steve Magnay travelled to lock with some of our Year 6/7 students to try out for the SAPSASA Cricket and Tennis teams. Well done to Lachlan Turner, Kaden Magnay, Mac Cotter, Sean Norsworthy and Tyler Gregory for having a go. Congratulations to Lachlan Turner who was selected to participate in the carnival later this term.

Congratulations
Congratulations to Stacy and Brad Michael on the arrival of their baby – Chelsea Ruth. Everyone is doing well and we have already been lucky enough to have had a visit!!

Catch up With a Cowell Kid
Today I caught up with the other half of the Year 11 class – Laura, Amy and Claire. We had quite a lively discussion about their plans for the future and some of the ideas they have for 2017.

All of the girls are keen to do some travel once they have finished Year 12, with the idea of a gap year appealing to both Amy and Claire. They’ve all talked about heading to Bali at the end of the year and Amy is keen to backpack around Europe and maybe pick up some work while she’s there.

Amy and Laura would like to go on to study at uni, with Amy interested in Midwifery and Laura aiming to get into Medicine (hopefully at Adelaide uni, but happy to move interstate or overseas to study). Claire is unsure of exactly what she would like to do but is keen to work with kids, possibly in Childcare.

When we discussed what they enjoyed most about Year 11, they talked about the fact that they had the opportunity to study Stage 2 subjects and would recommend that Year 11 students do that next year. They feel like it has taken a bit of pressure off next year and gives them some more flexibility. They recommended to next years’ Year 11 students that they use their Research Project lessons wisely. One thing that they were disappointed in was the fact that they don’t get to spend much time together as a whole class because they do different subjects. They are glad that they have completed their education so far at Cowell because they have enjoyed the luxury of small classes, greater access to teachers and the freedom of living in a small town.

Ideas for 2017 were something that they have already begun to think about. They would like to see a review of the house system, due to the small numbers at the senior level in some houses, and to try and get greater involvement from students who avoid days like swimming carnival and sports day. One suggestion was to include more team events at swimming carnival. They would also like to see a larger, more defined freedom of living in a small town.

To finish our discussion we had a chat about improving our connections and interactions with students from other schools, and all agreed this could be an area for focus in 2017. We had a fun chat and if these girls are an indication of the future of our school, we are in good hands!
FROM THE SRC

The SRC would like to say a very happy hello to all students and community members. We hope that everyone has settled back into their school routine for the last term of the year.

It’s that time of the year again, when the sun decides to come out and play. On behalf of all the SRC we are really pleased to see everyone with their hats on and being sun smart!

For some SRC news now. Gala-day has been confirmed and will be held on Wednesday the 16th of November, between 3:30 and 6:30pm. This year we have taken a different approach and have included a broad range of activities from decorating cupcakes for the little ones to Mini Golf for the adults. We have also invited local business and community members to attend the event and hold their own stall. We encourage everyone from the community to check it out as it will be a lot of fun.

More information about Gala Day will be in next weeks newsletter.

We will be having *International Games Day* at the library to celebrate the fun we can have with board games. We will play games for fun or enter into a competition against each other or even some teachers (I heard a whisper that Mrs Byrnes thinks she is the best Pictionary player in the whole school)! Students can bring along their own board game or use the games from the library. The event will be held at lunch time. So start thinking about which game you would like to play!
