PRINCIPAL'S NEWS

Dear All,
Mmmm nice little bit of Indian Summer, makes me wonder what Winter will be like!!
Things are humming along at the school with loads of planning and events coming up.

Student Free Day

Next Monday will be a student free day. Staff will travel to Cleve for the day to attend a range of training opportunities. These days are funded by the government to ensure the induction for Australian Curriculum is thorough.

Student Teachers

This week we will farewell Jack Burton and Ali Scott. We would like to acknowledge their efforts whilst at Cowell Area School. Both young people have been engaged and involved in their own learning and that of the craft of teaching. Congratulations to them both.
Next week we will welcome three new student teachers and look forward to their stay for two weeks. The students will be sharing the boarding house with student teachers who will be working in Cleve. We wish them well.

Congratulations

Congratulations to Dylan Milton who has won a Scholarship through the Helen Castle Foundation for work in Science. Well Done Dylan. This will enable Dylan to seek extra training and information.

NAPLAN

We were really pleased with the organisation and completion rate of our students in the NAPLAN testing. We try to make it as stress free as possible and those students I had the chance to speak with reported that they thought they went well.

Shade for Secondary School Grant Program

As part of the changes to the outdoor area I have submitted a grant application for shade over the amphitheatre and over the play equipment which we expect to arrive shortly. Fingers crossed please!!

Planting

I am about to seek plants from the Arid Lands Centre in Port Augusta to plant out our new garden areas. This time I will try for ground covers and small shrubs so that we have good vision around the play areas. I have been in touch with the Conservation Volunteers who have helped us before and was disappointed to hear that their funding had been cut so they would be unable to support us again. Of course the students will be involved in the planting and if any parents or community members are keen to help you will be most welcome.

Head Lice

We have had some outbreaks of these pesky little creatures. Please see the more comprehensive note inside this newsletter for more information.

GUERNSEY DAY & SAUSAGE SIZZLE

Friday 23rd May

Come dressed in your favourite sports uniform or sporting item.

Sausage order forms have been sent home & will be received up until TOMORROW RECESS. Should you require another order form, spare ones are available from the front office.

HEADLICE

We have had some notifications of headlice in the school recently and wish to advise all Parents/Caregivers the following information on what you should do;

It is extremely important for you to check your child's head for head lice TODAY.

Keep checking **every 2 days** until there are **no head lice found for 10 consecutive days.**

If head lice are found please treat your child for head lice and use a fine tooth head comb to remove all lice and their eggs. This will prevent head lice from spreading.

Also:

- ★ Check all members of the household at the same time.
- ★ Use an effective head lice treatment.
- ★ Wash bed linen, hats, hair ties, brushes etc in hot water.
- ★ If using a chemical treatment, repeat 7-10 days after initial treatment according to the manufacturer's directions.

The Education Department regulations state that students who have head lice are not to come to school until they have had effective treatment.

Further information on head lice and their treatment can be gained from the Environmental Health Service of the Department of Health on the following direct link:

<http://www.dh.sa.gov.au/pehs/branches/headlice/headlice-index.htm>

Should you require any further information please don't hesitate to contact the school on 8629 2150.

Did you know that you can place holds on items through our web page?

You can place holds on books, audio books, DVD's, CD's and magazines. All you need is the number on the back of your new library card & your pin number.

Holds may take some time to arrive in the library. Availability depends on how many copies of the items there are, if there are holds already on an item and if the items are currently out on loan.

Delay may also be due to libraries purchasing or "acquiring" new items & having exclusive borrowing of the item for their members only for the first 90 days.

If you would like any help in using our web page please feel free to pop into the library & we would be more than happy to help.

JUSTICE OF THE PEACE

Please note that Sharyn Williams will be unavailable in the library over the next 5 weeks.

Alternative JP's can be found on the last page of the Lion's Cowell and Districts Telephone Directory.
