Dear All,
I hope your week has gone well so far.

Sincere thanks
Our thanks go to Rochelle Russell for her donation of trees from her Trees for Life collection for our new gardens. Many thanks also for the lovely surprise of a donation of $500.00 from the Uniting Church Opportunity Shop towards the new playground and the gardens. It is hugely appreciated.

Today there are plants arriving from the Arid Lands Botanical Gardens in Port Augusta so we hope to do some planting tomorrow. I have sent in an application for shade structures through the Cancer Council Shade for Secondary Schools Grant program and with the equipment confirmed as “on the way” it is finally all coming together.

Student Teachers
Welcome to our four new Pre-service Teachers, Lauren Schiller, Simone Hughes, Nikita Ahluwalia and Daniel Clift. Who have joined us for their first teaching prac. We hope they enjoy their time with us and learn a lot more about teaching.

Transition
We have had our first meeting with the Kindy to begin planning our Transition program for the new students beginning school in 2015. At this stage we will run sessions each week and because the group is large we may split the groups so that they do week about. More information as we firm up the details. We will be holding parents forums to enable parents to gain more insight into how school functions and the valuable role parents play in our work.

Intrepid travellers
Mr Rogers has arrived in Kununurra safely for his week long Bush Blitz Science Project. He is hoping to be able to connect with his class from the Kimberley but not sure if cabling has reached that far yet!!

Assembly
Next week on Friday June the 6th we will have assembly in the Institute to celebrate our half way mark in the term. The assembly will begin at 9:30am and run for about an hour. Please come and join us if you can.

Fork-lift Licence
We are organising a forklift course at the school and wonder if there are people out in the community who would like to join our list of participants. Please call me at the school and I will provide you with further details. Jan Potter 08 8629-2150

Ins and Outs
Today we have a group of folk in Port Lincoln to play Netball.
SAPSASA Netball and Football is on all week this week in Adelaide.

Allen Campbell our Senior School advisor will be here on Friday to meet with some staff.

Monday and Tuesday next week I will be in Port Lincoln for a Leaders Conference.

All of our SSO staff will be out on Tuesday at a conference in Port Lincoln.

Mr Combes will be in Adelaide at the end of next week for an AquEd Conference on Friday and Saturday.

Over the long weekend Mr Barker, Roly and I will be attending the World Aqua conference at the Convention Centre in Adelaide. We will be taking turns manning two stalls and I am presenting at the conference on Tuesday morning. The conference ends on Wednesday so it will be a really hectic few days.

On the Tuesday and Friday we will welcome our Japanese friend Masa and a couple of others. We will also have some visitors from New Zealand and NSW.

Phew!!

Governing Council
We would like to thank all of the parents who offered to help on the Pub raffle on Saturday nights. It has made a huge difference. If there is anyone else who would mind donating 1 hour throughout the year please let us know. Governing Council was postponed this week due to the seeding commitments. Our next meeting will be on the 24th June at 7:30pm in the Library.

Kind regards,
Jan Potter
