Dear All,

Another busy week has passed us by and there is lots to report.

Facilities
The playground area is almost complete, at least the ground works. I have ordered one large piece of equipment and currently looking at some others. There is so much to choose from it’s a tricky task. This week, or next, I will reconnect with the Conservation Volunteers to get some support for planting out the new gardens with the students.

We have had word from the Facilities Manager that we need some repairs done on our current shade structure so I am chasing that up. We will be putting in some shade over our new areas as they progress.

Through the Governing Council I will request support for a Working Bee and hope that a number of families can help with some jobs across the school.

Leaders Learning
Monday and Tuesday of this week I spent in Adelaide with all the other Principals and Pre-school Directors working with the Leadership Group of the Education Department on our way forward for the future.

South Australia has always been a leader in innovative education and we want that to be the same for the future of our students. We were asked the question “What do you want your students to have when they leave school?” It’s a big question but the majority of people present agreed that they wanted Results (plus) meaning that not only are students successful academically but that they are independent thinkers and confident in a crisis, able to be flexible and to be honest, happy and taking responsibility for their actions. This is a pretty tall order but it is great to aim high.

The conference provided plenty of insight into what the Department is looking for in the future.

Student Free Day Tomorrow Friday 7th March
Tomorrow we will be working together to look at Australian Curriculum, our new partnership arrangements for Central Eye, Child Protection Curriculum, and Arranging learning to meet the needs of all students.

Public Holiday Monday 10th March
Please don’t forget that Monday is a Public Holiday. Enjoy your long weekend.

Kind regards,
Jan Potter

Thought for the week

VISIT FROM BAND SACRED STONE
There was a great vibe on Wednesday 19th February as
students arrived at school to the sounds from visiting band
Sacred Stone as they rehearsed ready for a morning session
with our students.

Using a combination of music, sharing, stories and video clips
the band members talked to students about online Friendships. They
covered topics such as being tagged in photo’s (sometimes photo’s we’d prefer not to be made public), the
depth of online friendships and how it feels to be unfriended.

Their take home message was the importance of “seeing the
value in others”. This applies to both online friendships and
face to face friendships. They also talked about how Christians
believe that God values each and every one of us.

Students seemed to really enjoy the morning and did a great job
of sharing and responding to questions, as well as enjoying the
opportunity to interact with band members during Recess.

Here are some comments from the feedback forms I asked
students and staff to complete:

The best part of the session was:
"The music and approachability of the crew"
"Singing Riptide"
"The girlfriend story and the music"
"Singing"
"The music"
"The music and the stories they told"
"Listening to their stories and listening to their music"

Other comments:
"I liked their music but also the story Matt told"
"I thought the show was great – they kept the crowd laughing"
"I thought it was amazing and funny"
"They are my fav band"
"I thought it was awesome and they made it so we could
understand it"
"I thought it was very good how they interacted with us and
shared stories. I really liked the songs."

Students and staff have indicated they would like to have the
band visit again at some point in the future.

I would like to thank the Cowell Christian Churches for their
support with financing the bands fee and accommodation costs.

BUS TRAVEL
A friendly reminder to anyone who intends travelling on any
school bus: Michelle Elson, in the Front Office, must be
contacted before anyone extra is allowed to travel. We
would not like to have to get to the point where your child is
refused travel on the bus because this initial contact has not
been made. Students can notify Mrs Elson but we
encourage adults to notify the school before the intended
travel is meant to occur.

SA Metropolitan Fire Service

MFS take powerful RAP message to year 11’s

Firefighters from the South Australian Metropolitan Fire Service (MFS) will be taking a powerful road safety message to year 11 students on Tuesday 11th March.

The firefighters will be delivering the MFS Road Awareness Program (RAP).

The MFS RAP, sponsored by RAA, BMW Adelaide and the Australian Professional Firefighters Foundation, is a successful program presented by MFS firefighters in Secondary Schools throughout metropolitan Adelaide and regional South Australia. The program has been running for nine years, delivering in excess of 680 presentations to over 79,000 recipients. Statistics show that road crashes are one of the biggest killers for 16-24 year olds throughout Australia.

The MFS firefighters present a hard hitting and emotional RAP where they give the students the opportunity to see the consequences of bad decision making. Their message is through “Concentration and Commonsense” almost all road crashes are avoidable. The MFS believes that if we start with new drivers at 16 years old we can create a positive generational change in driving attitudes, decision making and behaviours giving our students the opportunity to significantly reduce the carnage on our roads.

We believe the road safety message is getting through to young people and there are positive signs of generational change underway.

Statistics show the following deaths occurred on South Australian roads for 16-24 year olds:

<table>
<thead>
<tr>
<th>YEAR</th>
<th>FATALITIES</th>
</tr>
</thead>
<tbody>
<tr>
<td>2009</td>
<td>19</td>
</tr>
<tr>
<td>2011</td>
<td>6</td>
</tr>
<tr>
<td>2013</td>
<td>2</td>
</tr>
</tbody>
</table>

Since 2010 when RAP doubled its delivery (with the appointment of a second presenter) you can notice a rapid decrease in fatalities. We believe this Program is directly playing a part in these figures heading in the right direction.

The program is a classroom presentation which takes students through the realities of road crashes. A feature of the presentation is a road crash survivor relating his or her experience and making an impassioned plea for the students to learn from their mistakes.

As road users we get to choose the risk – but we don’t get to choose the consequence. Our young drivers will learn to be road users with good attitudes, make smart decisions and understand that safe behaviour on the road is their responsibility.

Firefighters will deliver the RAP Presentation at Cleve Area School
Date: 11/3/2014
Time: 12:30pm

For more information, please contact Rod Campbell (MFS RAP Program Co-ordinator) 8204 3703

One Card Rollout

Wow things are really happening in the library. Dawn, Nicole and Sharyn are flat out testing the data ready for our ‘Go Live’ date in April.

We would like to thank the Community for its support and understanding at this time and assure you all that it will be worth the inconvenience when we have a fully functioning system.

Once the system comes in, those of you who have re-registered will receive a brand new library card and library number. You can use this number to access items from anywhere in South Australia online. Simply search our Enterprise page, place a hold on the items you want and they will be sent to Cowell Library. Once they are here we will SMS, email or notify you in the post that your items are ready to be picked up. When you are finished with them you simply return them to us and we will send them back for you. Couldn’t be simpler.

Not technology savvy? Don’t worry, you can still borrow as per normal from the shelf or we will help you find what you are looking for.

Miss Napier and the Year 8 class have been very kind and created a selection of Graphic images for us to choose from for our new library card. They are displayed in the library for everyone to see. Come and have a look and vote for your favourite. Well done Year 8’s!

GREATSTART PARENT WEBSITE

An exciting new GreatStart parent website has been developed as part of the Department for Education and Child Development Numeracy and Literacy Strategy to provide ideas and activities for parents to develop their children’s early numeracy and literacy skills. It is framed from a family perspective around everyday events Play, Food, Out and about, Growing, Getting ready and Celebrations. For each activity, information is provided on why it matters and what it leads to in terms of numeracy or literacy development, with examples of the language parents could use when they engage in the activity with their child. Activities are searchable by age, materials and the skills developed.

Parents and families are encouraged to view and utilise the website www.greatstart.sa.edu.au to give their children the best possible start to their education.

Do you have a child in year 4, 5 or 6?

Have you missed out on thousands of dollars?

In 2001 the Government introduced the ‘First Child Tax Offset’ and surprisingly many Australians did not know about it and have NOT claimed any benefits.

If you have ANY child that was born between 1 July 2001 and 30 June 2004 you may be eligible to receive up to $12,500 of entitlements.

The government has a 30 June 2014 deadline on this entitlement so please email childoffset@twelve.com.au today to receive more information.
