## PRINCIPAL'S NEWS

Dear All,  
Here I am back again. I hope your week is going well. I have certainly been busy attending all sorts of meetings and Saturday I am off to the World Aquaculture Conference in Adelaide to take up the opportunity to talk about our school and community, is a very large forum.

### Farewell

Tomorrow will be the last day for our student teachers. They have already been here for a fortnight and the time has flown. We wish them well in their studies and look forward to seeing and working with some of them during next term.

### Transition

To those families with little people coming into school and also beginning Kindy next year, we will be starting a Transition Program next term for 2015 to support a very smooth transition into both education areas for you and your children. A separate letter has been sent to these families.

### Fork-lift Certificate Training

I have had quite a few folk register interest in this course. Please let me know if there is anyone else who is keen to have this licence and I will organise a day to hold it in the school. If no-one gets in touch I will go with those folk I have already.

### BELS First Aid Course

This course will be held at the Library on Sunday 27th July from 10am to 2pm. At this stage we still have a few vacant spots so if you would like to do this course, please contact Kylie McFarlane at the front office of the school.

### Ins and Outs

We have Cleve students in today studying Physics with Mr Milton.

Undercover agents came yesterday to take away our shade cloth over the Junior Primary playground to mend it. They are also giving me a quote for shade structures over the new play areas. This is in line with the grant I have applied for.

Mr Rogers is on his way back from his adventures in the Kimberley, he has reported that it has been an amazing experience.

Mr Combes is off to Adelaide tomorrow and Saturday for the AquaEd conference.

Next week on Thursday and Friday will have a visit from our Japanese friends and I believe some other folk from New Zealand.

### Thank-you

Britt Burton has visited us this week to share her experiences as a Marine Archaeologist with our students. It was absolutely fascinating. Thanks Britt the students were awestruck!!

### Assembly

Tomorrow morning at 9:30 in the Institute we will hold our mid-term assembly. We hope that some of you can come and join us to celebrate a very busy term and all of the fabulous things our students get up to during each day.

Kind regards,  
Jan Potter  
Principal

### Thought for the Week

*"It takes a community to raise a child and it takes a child to raise a community."* Proverb.

And I would say this community tries very hard to do it well!! J

## DATES TO REMEMBER

## SSSSA Carnival

On Wednesday the 28<sup>th</sup> of May, 2014 a bunch of girls, Mr Clift, Mickey Pain and Mrs Peters went down to Port Lincoln to participate in the SSSSA netball carnival. Mrs Peters drove the Hiace bus, we left at 8 am and arrived in Port Lincoln around about 9:30am. We started with our usual warm ups before a netball game.

The first game was against St Joseph's, whose coach was Mrs Montgomerie. In the first half we played a close game with St Jo's up by 7 goals. It was in the second half when St Jo's started to play their game. They played a brilliant half and at the end of the game St Joseph's had won. C10, St J 22.

The second game we played was against Navigator College. Cowell played a brilliant first half keeping Navigators to only scoring one goal. We played way better than our first game due to the fact that we had now woken up. It was the second half that Navigators took the lead. They started picking up the loose balls and made the most of their opportunities. Final scores: Navigators 12 and Cowell 10.

After the first two games we had a break. They put all of the teams into pool and we were put into pool C. The third game we played was against Cleve. We were determined to win and started playing to our game. We were scoring off of all our centre passes and turning over a lot of theirs. In the end we had finally won our first game with Cowell on 25 and Cleve on 6.

In our last game against Tumby Bay we were determined to keep winning to win overall in pool C. We stuck it out through till the end and played another great game. Scores were: 20 Cowell Tumby Bay 11.

At the end of the day we had won our division of Pool C. On the way back from Port Lincoln we stopped at the foreshore and we went to McDonalds. We also stopped at Tumby Bay to have a look at the marina.

On behalf of the girls who went to SSSSA we would like to thank Mrs Peters for organising the trip up to Port Lincoln, driving us up to Port Lincoln and umpiring the games, Mickey Pain for coaching us and Mr Clift for scoring and supporting us.

The CAS U15 SSSSA Netball team 2014.

## R.A.N Training

*Responding to Abuse and Neglect*

Full day course—7 hours

Date: 27th June, 2014

Venue: Whyalla Education Office
