NEWSLETTER

PRINCIPAL'S NEWS

Dear All,
Here I am again, brimming with news and happy events coming up in the school.

Pantomime

We are happy to have the Whyalla High School Drama Students presenting "All Shook Up" at the Institute this Friday the 21st at noon for school and in the evening for the community. Tickets are available at the school and at the door in the evening. A mix of Elvis and A Midsummer Night's Dream sounds fabulous!

School Magazine

The divine snapshot of the year has left for the printers and will be available in the final week of school. The cost will be \$20.00 and an order form is in the Newsletter so that you can pre-order. A lovely present for Christmas.

Presentation Night

This extravaganza will be in the Institute on the 26th November beginning at 6:30pm. This really is a chance to celebrate our great year of learning and adventures and share our students' success with their families and the wider community. We look forward to seeing you there.

School Crossings

As I reported earlier we have been investigating the possibility of lights both on the highway and across from the Library and Kindy to further ensure the safety of our students. It appears that the powers that be are quite willing to support our proposal. This was raised at Governing Council and followed up by Dee Cook for which we are very grateful.

Budget

We have been working on the budget for a little while and finally this week it appears to have all come together. It is normal practise to have an interim budget which will be ratified by the Governing Council at our next meeting on the 9th of December.

Staffing

Staffing is almost complete which is great because it will enable us to create our classes for the new year and for our students and families to know who will be taking which children across the year levels.

New Enrolments

It has been great to have some new enrolments for 2015, if you know of anyone coming to Cowell to live and work in 2015 please ask them to contact the school and let us know so that we can provide them with information.

Reports

School reports will be out in Week 9, the final week of school. If your child/children are not at school then the reports will be posted to you.

Kind regards,
Jan Potter
