Dear All,

Another joyous week has passed in the school. My goodness it continues to be a whirlwind of events and opportunities.

Upcoming Events
Aquaculture Meeting tonight at 7:30pm in the Aqua Centre.
18th March CPSW applications close
21st March School Sports Day
23rd March Auction at the school as part of the Skate Park Fundraiser. The more the merrier!
Oyster Tasting, heaps of building materials, book shelves, desks and chairs will be there.
25th March AGM of the Governing Council
25th March Music students to the Hostel to perform
25th March Panel to be held for the CPSW position
1st April Interschool Sports Day at Tumby Bay
4th April Twilight Day (More news and information below)
9th April RE lessons for R-5 classes.

Parent Interviews
We are always happy to see you and meet with you but more formal arrangements will be made for week 2, term 2 for parent interviews given that this term is completely overloaded.

Guitar Lessons
Ben Christianson will be available on Fridays to take students for guitar lessons. Please call the school or Jane Smith if your child is interested. We welcome Ben to our school and look forward to many happy hours of music.

“Go Live Day” is being combined with our Twilight Day on the 4th April
As you will be aware a huge new program has been undertaken across the state to bring all the materials in Libraries on line and have them accessible to anyone who wants to borrow. Our school staff, especially the Library staff, have been working diligently to get us prepared for the ‘Going Live’ event. This will take place on the 4th of April.

At the same time we are looking to open up the school to all families and friends who haven’t had the chance to spend some time in the school for a while. There are many new and interesting things going on in schools today and it’s definitely worth a look.

To enable those parents who are working to join in the fun we are changing our time of operating for the day. Students will begin school at 1pm and will have “normal” classes for two lessons. We will then have our final assembly for Term 1 with performances and presentations.

For those students who need to go home at 4:20 the buses will run an hour later than usual. This will be followed by access all areas so you can have a poke around and see what we all get up to each day. Have you seen the Year 1/2 class using Moodle? Have you seen the students design computer generated graphics and then send their design to the CNC Lathe to be made?

Did you know we have a huge number of Oysters on our lease? We also have Barramundi and other amazing creatures in our Marine area. Our vegie patches are hugely productive and have you seen the new play area for the Middle Primary students? If you answer “No” to any of these questions you know what you need to be doing on the 4th of April. More news in a one page event invitation will be sent out in the next week or so.

Kind regards,
Jan Potter

Thought for the Week
“I have no special talents. I am only passionately curious.”

Ice Blocks for Sale
Thursdays at lunch times, $1 each

R-12 Sports Day 2014
The annual R-Year 12 Sports Day will be held at the Cowell School Oval on Friday 21st March, starting at 9.00am.

Everyone is welcome to attend. If you are interested in assisting, please contact the school or simply offer to help on the day. We especially need people to help at the field events from 10.30-12.30am, please let me know if you can help asap (note, you will be restricted in following your child’s group if you opt to help at a field event).

Students are in one of the three teams (Aries-blue, Scorpio-green and Taurus-red). We encourage students to wear their team colours and suitable athletics attire. For protection from the sun a T-shirt, broad brimmed hat, sunscreen and a water bottle are essential. Students are required to wear covered shoes during the throwing events (javelin, discus and shot put) and we recommend that they wear suitable running shoes for the other events.

The Year 4/5 students are holding a sausage sizzle and will be selling refreshments and snacks as a fundraiser. Students will need to bring their own lunch, order from the bakery or buy a sausage, there will be a set lunch time (from 12.30-1.00pm) and we prefer that students stay at the oval all day rather than returning home for lunch.

A copy of the programme will be in next week’s newsletter.

The 1500m event will be run on Wednesday 19th March at 9am.

Spectators are asked to bring a rug or a chair to sit on and, if possible some shade. If you have a shade that you are happy for us to use during the morning, please contact the school and drop the shade in before the 21st March.

Donations towards medallions will be gratefully received (please contact the front office staff).

Colleen Peters

Australian Mathematics Competition 2014
The Australian Mathematics Competition (AMC), which is sponsored by the Commonwealth Bank, is a mathematics competition open to all students in years 3-12. The competition contains 25 multiple choice questions and 5 questions requiring a number answer. Students participate in various categories based on age. There are great prizes up for grabs!

Over the last couple of years we as a school have participated and have achieved some amazing results including 10 credits and 1 distinction. In 2014, Cowell Area School will again be participating. The competition will be held on Thursday 7th August. If you would like your child to enter this competition please fill out the slip below and return to myself via the school office by Friday 4th April. Or if you would like more information please contact myself at the school and I would be happy to answer any questions. There is no cost to you for your child entering this competition.

Don’t forget to re-register soon so you can go over onto the new ‘One Card’ system straight away.

JUSTICE OF THE PEACE

There will be a Justice of the Peace available in the library on Monday, Tuesday and Wednesdays for your convenience. Please phone to make an appointment 0886292320

WAKE UP HAPPY EVERY DAY

By Stephen May

What happens if you do actually find the pot of gold at the end of the rainbow?

Nick has always known Russel was rich, but has no idea how astronomically rich until Russel drops dead on his fiftieth birthday, in his San Francisco mansion, with Nicky as the only witness.

For forty years the two men have kept up their friendship, with Russell’s birthday offering him an annual opportunity to remind Nicky of how much more successful Russel is, and how much further he has come since their English suburban Childhood. And how Nicky has come up with an uncharacteristically daring plan.

SCHOOL LOST PROPERTY BOX

Is overflowing with items from Swimming Carnival—towels, thongs, shoes, hats etc. Please come into the front office to have a look through and take any items that belong to your child/children.

COMMUNITY NEWS

GREATSTART PARENT WEBSITE
An exciting new GreatStart parent website has been developed as part of the Department for Education and Child Development Numeracy and Literacy Strategy to provide ideas and activities for parents to develop their children’s early numeracy and literacy skills. It is framed from a family perspective around everyday events Play, Food, Out and about, Growing, Getting ready and Celebrations. For each activity, information is provided on why it matters and what it leads to in terms of numeracy or literacy development, with examples of the language parents could use when they engage in the activity with their child. Activities are searchable by age, materials and the skills developed.

Parents and families are encouraged to view and utilise the website www.greatstart.sa.edu.au to give their children the best possible start to their education.

COMMUNITY NEWS
