Dear Parents/Caregivers,

I hope everyone had an enjoyable long weekend and that you have all recovered with the extra day off yesterday. For the Student Free Day teachers were involved in training in elements of "Writing". This was identified by staff as an area for further development and is part of our Site Improvement Plan. SSO's were engaged in a range of training including Work Health and Safety, the Library borrowing system and aspects of mathematics testing.

This is a short week and exams will be held for Yrs 9-12 over the next two days (see timetable below). Semester 1 ends on Friday 26th June (end Wk 8) and we encourage all students to utilise their time effectively to finish off work to meet due dates. Semester 2 starts on Monday 29th June (beginning Wk 9) and students will be notified of any subject and timetable changes. Written reports for all students, R-12 will be sent home on the last week of term. If parents would like to meet with a teacher/s, please make an appointment through the front office.

Work Experience
The Year 11 students will be out of the school next week doing Work Experience, either in Cowell or further afield. This is a very valuable programme for students to engage in the world of work.

Religious Education
Students in Yrs R-6 will be involved in Religious Education sessions next Wednesday 17th June. These will be supported by members of the Inter Church Council and our newly appointed Pastoral Care Worker, Jess Jaeschke. We welcome Jess back to Cowell Area School and look forward to her input in the future.

Kind regards,
Jan Burton

Multiple Library Cards
Public Libraries are continuing to improve the One Card system for all library members. Most libraries in South Australia are now on the network & it is easier than ever to borrow and return items across the consortium.

The next step is to ensure all members have one library card and remove any multiple cards from memberships.

WHAT DOES THIS MEAN? Your Cowell Library card will enable you to borrow at other libraries. So there is no need to hold separate cards for borrowing at Whyalla or Port Lincoln for example.

If you have more than one library card, pop in or phone the library & we can help you with reduce your memberships to one card.

Helping Children in Vanuatu after Tropical Cyclone Pam

Tropical Cyclone (TC) Pam struck Vanuatu on the evening of 13 March. The category 5 cyclone caused widespread damage across five provinces mainly Shefa, Takua, Malampa, Penama and Tafea. The cyclone swept with winds around 250 km per hour, and gusts peaking at 320 km per hour. It is reported that 100,000 people have been affected by the devastating cyclone.

Amongst those reported, an estimated 90,000 people, children included, found themselves in need to repair their homes and replace basic items such as blankets, clothing, tools and kitchen sets lost to the cyclone. In terms of schools for children, more than half of assessed primary and secondary schools were damaged or destroyed, affecting more than 16-4500 children.

Richard Tatchen, Secretary of Health, Presbyterian Church Vanuatu

We are asking people to fill a calico bag with different items to help bring a smile to the many children who have been affected by Cyclone Pam. Approximate value per bag $40-$45.

What will your gift mean to the Children of Vanuatu?

It would help a lot of children in need to restore their school supplies and replacing clothes that have been destroyed.

It will assist the parents to whom have their source of income destroyed during the cyclone to give time for crops to grow and give them again needed cash.

It will provide urgently needed health kits to keep them healthy from diseases.
