PRINCIPAL'S NEWS

Dear All,

Who can believe it is already Wednesday, again? Goodness me we seem to have a head of steam and are charging up the hill.

Sports Day

Sports Day will be held this Friday at the School Oval. Mrs Peters has included information in this newsletter so that you can enjoy the day. We still need some parents to help at specific stations. If you can help, please find Colleen Peters at Sports Day and ask her for direction.

First Urgent and Important

Auction on this Sunday at the School please note: Funds for the School Playground

10% of sales will go to the Skate Park Committee to support their excellent efforts for our young people

Registered sellers at 7:00am entering off Cooper Lane. This will be a one way lane for the day.

Registered buyers at 9:30am. The Aquaculture Conference Room will be used as the office.

Auction will begin at 10:30 Sharp with Phil Cook as Auctioneer.

The school will be offering building materials, paver, guttering, machinery from Tech, table and chairs, white boards, a set of kitchen cupboards with a sink and much, much more.

Please **park outside of the school** to enable plenty of room for the auction.

Larger goods to be taken away after the auction is completed.

Sausage sizzle and refreshments will be available. See you there.

Second Urgent and Important

Annual General Meeting Tuesday the 25th March, 2014 at 7:30 pm Year 10 Area in the new blue buildings.

The Governing Council of the school is a critical decision making and support body for the education of the children and young people of Cowell. The task includes approximately 8 meetings in a year and they are generally not too late into the evening.

We need some more parents to be involved to keep the information and opinions coming into the school so that we can provide education and support in the best possible way.

Please come to the meeting and if you feel you can make yourself available for a position on the Council.

Mr Bob Combes will share his work in Local Delivery with an opportunity to see it in action, Bob will also share our work in Aquaculture which is achieving significant acclaim worldwide.

I am very pleased to thank the out-going members of the Governing Council for their outstanding contributions. The past couple of years have been incredibly busy and their support has been tremendous.

Guitar Lessons,

It was great to see so many children enrolled for guitar. Ben was also pleased and commented on the excellent behaviour of the students. This week Ben will be here on Thursday 20th so that students don't miss out with Sports Day on Friday. If Ben has any more students he will consider a second day which we are happy to accommodate. Please remember that we are just supplying the room and negotiating the day to encourage the students to access to music tuition and as a support for parents.

Kindest regards,
Jan Potter
Principal

R-12 Sports Day 2014

The annual R-Year 12 Sports Day will be held at the Cowell School Oval This Friday 21st March, starting at 9.00am.

Everyone is welcome to attend. If you are interested in assisting, please contact the school or simply offer to help on the day. We especially need people to help at the field events from 10.30-12.30am, please let me know if you can help asap (note, you will be restricted in following your child's group if you opt to help at a field event).

Students are in one of the three teams (Aries-blue, Scorpio-green and Taurus-red). We encourage students to wear their team colours and suitable athletics attire. For protection from the sun a T-shirt, broad brimmed hat, sunscreen and a water bottle are essential. Students are required to wear covered shoes during the throwing events (javelin, discus and shot put) and we recommend that they wear suitable running shoes for the other events.

The Year 4/5 students are holding a sausage sizzle and will be selling refreshments and snacks as a fundraiser. Students will need to bring their own lunch, order from the bakery or buy a sausage, there will be a set lunch time (from 12.30-1.00pm) and we prefer that students stay at the oval all day rather than returning home for lunch.

A copy of the programme is included in this newsletter.

If you are able to help with the set up, we will be at the oval from 7:45am Friday and would appreciate your assistance.

Spectators are asked to bring a rug or a chair to sit on and, if possible some shade. If you have a shade that you are happy for us to use during the morning, please contact the school and drop the shade in before the 21st March.

Donations towards medallions will be gratefully received (please contact the front office staff).
