FROM THE LEADERSHIP TEAM

We have some very busy weeks ahead of us with plenty of visitors to the school and some of our students heading off to activities and events to enhance the learning that happens in the classroom. Next Monday some of our Year 7 students will head to Clev to undergo training in the Play at Lunchtime programme. This programme is a primary school buddy initiative aimed at engaging students in structured play and activity led by senior students during break times. It is aimed at building student leadership and build inclusive play and learning environments. Our Year 6 and Year 4/5 students are heading to Port Lincoln to visit the Australian National Maritime Museum’s HMB Endeavour replica at Brennan Wharf, the Year 1/2 students will be learning about Safe Handwashing from Eastern Eyre Health and the Year 11 students will hear all about how young drivers can make better decisions on the road at SAPOL’s – ‘The Fatal Five’ presentation.

PHEW – it’s all happening!!!

Student Free Days
As many of you will know we are provided with funding for four student free days per year. These days enable the staff to travel to other sites, to meet as a large group or work in their own school on professional development.

Our first Student Free Day will be on the 22nd March (Tuesday Week 8) with the permission and support of the Governing Council. We will be travelling to Kimba Area School and working with the other schools in our Partnership on Growth Mindset.

ICT Committee
Our Technology committee is meeting this Friday to do some forward planning in this important area of the school. There has been much discussion about BYOD and we will hopefully come up with a plan about how this may be implemented. We want to make sure we use all available technology wisely and in line with best teaching and learning practice, and that we have a budget to take our school forward.

Governing Council
The AGM will be held on the 29th of March (Tuesday Week 9) at 7:00pm in the Year 12 classroom. The role of Governing Council is critical to the school, it involves about 8 meetings per year, which generally don’t go for too long. It is a great way to learn more about the school system and how much work goes on behind the scenes. Please come along for the meeting and have a go at being involved.

Attendance
Well done to the following classes who have been showing great attendance so far this year:

- Year 4/5 - 98.5%
- Year 6 - 98%
- Year 7 - 97.6%

Our target for the whole school for the year is 95% and currently we are sitting on 96%, which is a terrific effort so far!

Our attendance officer visited the school last week to look at our patterns of absence and was pleased with attendance so far this year. She will be visiting regularly and following up issues as they occur. Please make every effort to send your child to school every day, as the impact on not only their learning, but the learning of others, is quite significant.

Students who have poor patterns of attendance are at risk of not achieving their educational, social or psychological potential and are disadvantaged in the quality of choices they are able to make later in life. These learners may:

- Be socially isolated
- Have gaps in their knowledge and understanding of basic concepts
- Feel insecure in the learning environment
- Be more likely to leave school early
- Be victims of bullying or harassment

Parents and Friends
The Parents and Friends committee is a very important body within our school and contribute significantly to school improvements in a number of ways. The members work very hard to support school initiatives and ultimately the learning that occurs at our site. Unfortunately, it is often difficult to get people to join the committee because, as we know, life is busy and it is often left to a small group of parents to carry out the bulk of the work! However, we would hate to see the Parents and Friends committee become redundant through lack of membership. If you would like to see the P&F remain a valuable and important part of our school PLEASE come along to their AGM on Wednesday March 23rd at 7:00pm in the Library and find out how you can become involved and make a difference in your child’s education.

Timetable Alterations
Due to Sports Day practices the timetable will change from Friday 4th March to Thursday 17th March. It will be as follows:

Homegroup—8.55am to 9am
Lessons 1 & 2—9am to 10.20am
(Sports Practice Y4-12) 10.20am to 11am
Recess—11am to 11.15am
Lessons 3, 4 & 5—11.15am to 1.15pm
Lunch—1.15 to 1.55pm
Lessons 6 & 7—1.55 to 3.15pm
Dismissed—3.20pm

Graham Hyman

As mentioned in last week’s newsletter, on Thursday March 10th, our students will be attending workshops run by guest speaker Graham Hyman from Youth Specialties Australia. Graham will talk to our students on the topics of ‘Respect, Resilience and Relationships’, engaging them in a fast-paced, informative and challenging presentation.

Graham is also holding a parent Seminar entitled “Understanding Your Teenager” (see below) at no cost. A flyer was sent home on Monday with more details. Please let the front office know if you will be attending!

You’re right – adolescence does start earlier today!

Not long ago teenage development and behaviour began around 13. Now the early stages of adolescence are commonly seen in 10 year olds. In many kids it is full blown at 12. Adolescence starts earlier, is more difficult, and lasts longer than any time in history.

The really big question is: are you as a parent ready for it?

The Understanding Your Teenager seminar will help make sure you are. It is being hosted by Cowell Area School at the Cowell Complex on Thursday March 10, 7-8.30pm. We hope you will be able to come.

The UYT seminar is about the day to day experience of parenting an emerging teenager. It will give you a wonderful insight into your child’s new world, equip you with a bundle of great ideas and help you lay a foundation for your child’s success, and your sanity, through his or her adolescence.

Who are our Year 12’s??

Alison Turnbull has completed all of her schooling so far at Cowell Area School. This year she has chosen to study Maths, Biology, Tech, Creative Arts and Research Project. Alison would like to spend some time at a Station when she finishes school and gain an apprenticeship, possibly in Carpentry, as she enjoys building and practical hands-on work. She aims to gain an ATAR with the view to maybe continuing on to University one day. An animal lover, Alison volunteers every Tuesday with the Vet, who visits from Whyalla and spends a lot of her time with her horses (of which she has 2). She rides every weekend and in the mornings (if she gets up in time), and during the winter months regularly takes part in hunts. Alison is probably best described as friendly and easy-going and for doing things on ‘Turnbull Time’ (except for school work – of course!) She likes to play netball and spend her time with family and friends.

SCHOOL NEWS

R-12 Sports Day 2016

Thank you to Matt Franklin, Symon Chase, Jan and Jack Burton for helping with lining the oval yesterday, in preparation for our sports day. We will begin sports day practice this Friday. To accommodate this we will run an eight lesson timetable over the coming weeks, meaning that recess and lunch times will change (ie recess 11-11.15am and lunch 1.15-1.55pm). Sports Practice will be held during lesson 3, just before recess for all students from Year 4-12.

The annual R-Year 12 Sports Day will be held at the Cowell School Oval on Friday 18th March, starting at 9.00am. Everyone is welcome to attend. If you are interested in assisting, please contact the school or simply offer to help on the day. We especially need people to help at the field events from 10.30-12.30am, please let me know if you can help asap (note, you will be restricted in following your child’s group if you opt to help at a field event).

Students are in one of the three teams (Aries-blue, Scorpio-green and Taurus-red). We encourage students to wear their team colours and suitable athletics attire. For protection from the sun a T-Shirt, broad brimmed hat, sunscreen and a water bottle are essential. Students are required to wear covered shoes during the throwing events (javelin, discus and shot put) and we recommend that they wear suitable running shoes for the other events.

The Year 6 students are holding a sausage sizzle and will be selling refreshments and snacks as a fundraiser. Students will need to bring their own lunch, order from the bakery or buy a sausage, there will be a set lunch time (from 12.15—1.15pm) and we prefer that students stay at the oval all day rather than returning home for lunch.

A copy of the programme will be in next week’s newsletter.

The 1500m events will be run on Wednesday 16th March at 10.20am.

Spectators are asked to bring a rug or a chair to sit on and, if possible some shade. If you have a shade that you are happy for us to use during the morning, please contact the school and drop the shade in before the 18th March. Donations towards trophies and medallions will be gratefully received (please contact the front office staff).

**Governing Council Nomination**

Governing Council has vacancies to be filled for 2016. Please consider accepting or making a nomination for our council. Council meets twice a term and requires members to contribute to at least one subcommittee.

Governing Council is responsible for the overall direction that the school takes. It is a great way to find out how the school operates and have an opportunity to have a voice in that direction.

Please complete the form below and return to school before Tuesday, 29th March or bring to the AGM. Effective Learning is supported by strong partnerships between the school and its community.

We look forward to seeing you at the AGM which will be held Tuesday 29th March 2016 at 7pm in the Library.

**Parents’ & Friends’ Committee**

**Annual General Meeting**

**Wednesday 23rd March @ 7.15pm**

**STOP! Don't let the word Committee put you off reading this!**

Parents & Friends are a group of community members striving to provide support to students, parents and teaching staff, in every aspect to benefit schooling life.

**How do we do this?** Through fundraising and volunteering.

We need help to keep up our **wonderful work**, (if we say so ourselves) and we are seeking new members. **No** you don’t need to be involved every day of the year, in fact we would love general members to come on board, share new ideas & help occasionally.

**Any help is better than nothing.**

**Still undecided?** Take a look at what we contributed financially last year. We donated House Captain and SRC badges and sports ribbons, purchased hand held cameras for the classrooms and new health resources.

Our major purchase was a recliner chair for the sick room, & we are in the process of purchasing a Defibrillator machine and have pledged money towards the new primary playground equipment.

We would love to see you at the meeting. If you are unable to make the meeting but would like to be on the committee, or have any questions about P&F, please speak to any of our committee members below.

Roanna Frost, Maria Papillo, Mackenzie Klingberg, Rose White, Katie Wenske, Narelle Tonkin, Angeline Schultz, Jade Kuhn, Jess Jaeschke & Nicole Turner.

**FREE seminar – Toddlers and touch screens: what should I do?**

Touchscreens have become part of our everyday world. Parents are amazed at how quickly toddlers become adept in using them and how easily they hold a child’s attention. However, they are also unsure if it is safe for toddlers to use touchscreens regularly.

Come and hear nationally recognised parenting speaker, author and researcher Dr Justin Coulson talk about:

- the pros and cons of the digital age for children 0 to 5 years
- how and when to introduce touchscreens and games
- how to manage electronic media use.

The event will be webcast to accommodate parents and carers who cannot attend in person.

**Date and time:** Tuesday 5 April, 7.00 to 9.00pm **Venue:** City Rooms, Adelaide Convention Centre, North Terrace

Register online at [http://parentingsa.eventbrite.com.au](http://parentingsa.eventbrite.com.au) to attend, or to view the webcast.

Pastoral Care News

I’m finding it difficult to believe it’s Mad March already! 2 long weekends in one month and Sports Day and Easter are just around the corner. There is so much happening, the school is buzzing! I’ve been getting creative with a few students after I was asked to make some lovely Jasmine flowers for The World Day of Prayer, which will be held at the Catholic Church this Friday. We will start some Easter craft this week in anticipation for egg hunts.

We’re almost half-way through Lent. Did you opt to sacrifice anything this Lent season? Or maybe take up something?! It’s not too late, there is still time to maybe break a habit, or read a little more book and watch a little less T.V. Substitute the dessert for a cup of herbal tea.. Myself? I’ve spent less time on Facebook and more time reading scripture. It’s been a refreshing change.

Breakfast Club started again yesterday, with both primary and secondary enjoying some hot toast and cut apple. It will continue to be every Tuesday morning and available for all students. Thank you to the Cowell Inter-church council, the secondary members of the School Representative Council, students and parents that have expressed interest and are willing to help with this program. I sincerely appreciate it.

I continue to work on Mondays, Tuesdays and Thursdays, if you ever need to contact me, please do so via the front office at the school.

COWELL SWIM CLUB

Our club is totally run by volunteers, we are a not for profit club. Therefore our aim is purely for the benefit of the children. Swimming skills stay with you for life. The water gives us lots of joy, we need to stay safe. Teaching children young is the key to safety by the water.

If you have intentions of enrolling your child for Swim Club next season 2016-2017 please take time to be involved in our committee. There are limited spaces available for children. This is due to the size of the pool and our duty of care not to oversize classes. The club has helped provide swimming equipment, which we now share with the school and paid for the pool covers. This is a fun club to be in, so please come along to our AGM.

COWELL BASKETBALL
Our season has started very well. The younger students, some of whom have not played before, are showing a lot of skills that are important for the game. Many of the older students are playing as if they haven't missed a great deal of time from the game at all.

Can we please remind players and parents that subs of $5 per player are due to the library to Nicole Turner.

Thanks from the committee.

COWELL SWIMMING CLUB
Cowbell Swimming Club is the lucky recipient of Cowbell IGA Community Treasure Chest. The Chest is worth $1000.00. The club is very appreciative of this donation. The donated money will go towards new equipment, training for the coaches and trophies for carnival.

We were blessed with beautiful weather for our carnival last Sunday. Sunny 27º no wind in little old Cowbell. Great parent and committee support helping with all the jobs to run a carnival.

Shaun Hornhardt from IGA presented the trophies along with Sandy McFarlane our Swimming Club President. Stephen King joined us to present the Digma King trophy on behalf of his lovely mother. This trophy is a point run trophy given out to the overall best swimmer on the day.

Cowbell Swimming Club is very lucky to have Jane Smith and Tracy Mills as our Swimming Coaches who dedicate their time and efforts, so our child/children can learn swimming skills. A big thanks goes to all our in water helpers Laura Walker, Angelene Schultz, Meagan Turner, Mickey Sivour and Grace Chopin.

Swimming skills stay with us for life and teaching children safety and how to swim is paramount for our young children.

To see these youngsters, develop their swim skills is amazing. The Cowbell Swimming Club would like to Thank all those who have been involved this season and are most grateful to Cowbell IGA for their support.

We will see the youngsters back in the water Wednesday & Thursday until further notice is given, the end of the season is governed by the weather. The parent roster has been done until the end of the term.

Please note that there will be no Swim Club on Wednesday 17th March due to Tennis Grand Final's.

What will the Understanding Your Teenager seminar give you?

- Insight into the causes of teenage behaviour.
- Ideas to open and build effective communication
- Ways to prepare your child for the dangers of modern living.
- Encouragement to continue what you are already doing.
- Recommendations about different approaches to try.
- Reminders of what life was like for you as a teenager.
- Knowledge of the pressures which are on kids today.
- Understanding of the process and implications of adolescence.
- An entertaining, fun night out!

**About the presenter**

Graham is one of the most widely respected authorities on adolescent development and parenting teenagers in Australia.

He is eagerly sought by schools from both the state and private systems, from the most prestigious schools to the most disadvantaged.

Over a million people have enjoyed his wit and wisdom. His presentations are hilarious, moving, challenging and incredibly useful. He is amongst the busiest public speakers in Australia today for two reasons: his sessions are always fun and his ideas work.
